Purpose: FCNAOK small grant funds are allocated to projects, programs, health ministry startups that are developed by a Faith Community Nurse or Health Minister who is a current member of the FCNAOK organization.

Priority will be given to projects that promote wholistic healthy behaviors and provide education in the physical, emotional and spiritual realm.

(This funding was made available from Susan Dyess, 2017 Educational Conference keynote who returned her honorarium to us and requested the monies be used for Faith Community Nurse programs in Oklahoma)

Small grants are funded up to $100.

Applicant Name: ______________________________

Faith Community/Denomination: ______________________________

Length of Membership FCNAOK ______________________________

Briefly describe how the funds will be used (where, when, how healthy behaviors will be promoted and how healthy behavior, education provided, new program/project is added/implemented, etc).
